Dr G Vardi
Centre for Sports Medicine and Orthopaedics
9 Sturdee Avenue
Rosebank
2196

Dear Dr Vardi

On behalf of the Organising Committee and the profession, many thanks for giving up your time to present at this very successful event.

Your practical session on knee examination rated very highly in the Programme Evaluations. The most cited learning points were your simpler approach and to look at the patient rather than the knee. No more Apley's and Clarke's, promise!

Thanks once again.

Kind regards.
