Dear Glen,

Thank you very much for spending your precious time yesterday with me and Sarah discussing knee surgery. We both found the afternoon extremely informative and enjoyable and it was wonderful to meet you!

We both feel better able to support you and our clients in their referral and during their rehabilitation.

We look forward to introducing you to our new physiotherapists who start work this Autumn, who will be working from our clinics in Fulham, Chelsea and the City.

Thank you also for the invitation to observe in theatre; we would like to take you up on this offer and I shall be in touch shortly.

Yours sincerely

Elizabeth Driver MSc BSc(Hons) MCSP SRP  
Clinical Director
