

As we usher in year 2012, we must
be thankful that we are God's
blessed generation, which will celebrate
the centenary of the African National
Congress. In the Words of Eisenhower
" The history of free man is never really
written by chance,
but by choice, their choice"

By the same token President
J.F. Kennedy prophetically pronounced
in 1961 that " to those people in the
huts and villages of half the globe
struggling to break the bonds of mass
misery, we pledge our best efforts to help them
help themselves,..... not because it is right.
If a free society cannot help the many
who are poor, it cannot save the
few who are rich.

*Merry Christmas and a very Prosperous
New Year
